

To Whom It May Concern:

We have had the pleasure to work with Southeast Contractors for the past seven years. During this time Southeast Contractors have portrayed superlative professionalism in installing roofing systems on some of our major projects.

The Southeast Contractors employees are very attentive of OSHA rules and regulations and take tremendous care in following safety procedures as well as site cleanup.

Below you will find a list of projects we have completed with Southeast Contractors. If you have any questions please feel free to contact us.

Sincerely

Gary Butler
